

The Hyde School Newsletter

Autumn Term: 19th September 2025

Dear Families,

It was wonderful to see around 100 families join us on Monday to meet me and share your thoughts about the school. We are busy discussing your feedback with the team and truly value your input.

By now, most classes have held their "Meet the Teacher" sessions, and we hope you found them helpful in understanding the year ahead.

A big thank you to all the families who donated £1 and wore denim today for Jeans for Genes Day. Your support is greatly appreciated. Looking ahead, next week we will be hosting our first ever Macmillan Coffee Morning on Friday 26th September at 9:00 am. We hope to see you there for a morning of coffee, cake, and community spirit.

Next week, I will also be writing to families with information on how you can apply to join the Friends of The Hyde PTA or our Community Council. We would love to have you involved.

Finally, please be advised that our Trust has informed us that we can no longer finish at 1:00 pm on the last day of term. School will finish at the normal time. If this change impacts you, please speak to Lisa or Nisha.

Wishing you all a lovely weekend.

Warm regards,

Ms Saving

Autumn Term Roadmap

Nursery

The children have been settling in beautifully, exploring the classroom and reuniting with familiar faces. We've also been eagerly waiting to meet our new Nursery friends — we can't wait to welcome them into our wonderful group!

Reception

We have been busy settling into Reception, making friends and learning our new routines!

Year 1

Counting and
grouping in
maths

We have been
learning about
different body
parts and labelling
them.

Year 2 - 'Mac-Flies' (Macaws and Fireflies)

Click here: [THS Meet the Teacher Slides Y2.pdf](#)

As part of their transition into Year 2; the children have been learning about their class names. One of the ways they have done this is by looking at macaw and firefly features. They have been practising their drawing and printing skills. Ask them to explain their favourite part of the process.

Rockets

Rockets - Meet the Teacher info

We practised forming letters and new phonics sounds.

We learned to recognise numerals from 1-100.

Rockets learned about Colour Monster and all kinds of different feelings. They used various materials and tools to create one.

Children in Rockets had a great time coming back to school after the summer break. All children are now settled in their school routines and ready for learning.

Year 3

We really enjoyed our class naming celebration assembly. We are settling into the life in KS2 and having a great time already. See you all Monday at 9.00am for the Meet the Teacher meeting.

Lunar

Year 4

Year 4 have been learning about the digestive system! The children drew around each other and correctly identified the different parts of the digestive system.

Year 4 had their first drumming lesson! The children loved playing the drums along to Waka Waka!

Year 5

Our class performance at the naming assembly

We have been doing lots of fun art activities connected to our space themed class names

[Link to Y5 Meet the teacher presentation. Click here](#)

Year 6

If you couldn't make our Meet the Teacher meeting, you can find the information here:
[Year 6 - Meet the Teacher information](#)

We have had a fantastic start to the year, creating our class identities through Art and Literacy. Please press play to watch our naming assembly videos!

COME FOR COFFEE AND CAKE

WE ARE
MACMILLAN.
CANCER SUPPORT

Please join us for our Macmillan coffee
morning

Friday 26th September

In the school hall from 9am
