

# Ultimate Primary Sports Wraparound Childcare Service

**Ultimate Primary Sports Wraparound Service** provides high-quality, safe, and nurturing Ofsted approved childcare for primary-aged children before and after the school day. We support families by offering reliable wraparound provision from **7:45am until the start of the school day** and **from the end of the school day until 6:00pm**, creating a smooth and consistent extension of the school environment.

**Our vision** is to deliver outstanding wraparound childcare where children feel happy, secure, and valued, and where parents can feel confident that their children are receiving the highest standard of care. We aim to support children's wellbeing, independence, and social development through strong relationships, clear routines, and engaging experiences.

Our provision focuses on:

- High-quality childcare that meets the individual needs of every child
- A safe, inclusive, and welcoming environment
- Calm and supportive morning sessions that prepare children for the school day
- Positive after-school experiences where children can relax, play, and socialise
- A balanced range of activities that support emotional, social, and physical development

While childcare is at the heart of our service, we enhance our provision with **fun, inclusive physical activities and sports-based sessions** as part of our breakfast and after-school clubs. These activities encourage children to be active, build confidence, and develop teamwork skills, while still allowing time for creative play, quiet activities, and rest.

**Our aims are to:**

- Provide dependable wraparound childcare that supports families
- Create a positive start and end to every child's school day
- Promote children's wellbeing, confidence, and independence
- Maintain a safe, structured, and caring environment
- Work closely with schools and parents to ensure continuity of care

We are committed to continually reflecting on and improving our practice to ensure our provision remains of the highest quality. Through ongoing staff development, careful planning, and a child-centred approach, **Ultimate Primary Sports Wraparound Service** strives to deliver consistent, high-quality care that meets the needs of children and families..
